An old fishing village which has become a modern tourist center of the holiday resort in Riviera without sacrificing the charm of its maritime history.

Cesenatico is mostly the beach, with its seven miles of golden sand. The equipped beaches offer tourists the pleasure to meet under the umbrella, to have fun in the water and do a thousand sports, safely under the watchful eye of the lifeguard. And off the beach the presence of large green areas, urban parks where sports or walking, but also the gardens to the sea ideal for refreshment from the summer heat.

Cesenatico is also one of the most appreciated gastronomic destinations in the national scene, where the proverbial hospitality of Romagna combines with a high quality catering, thanks to some gastronomic events dedicated to promoting the so-called *poor fish* as "Blue as the fish" in the spring and in the autumn "fish do a party".

Cesenatico is an active holiday, with appointments for fans of all sports, especially cycling.

The walk along the harbor channel, it is a great pleasure. Real living room for shopping, to spend time with friends, to enjoy a piece of its history between the sails of the ancient boats of the Maritime Museum float.

Cesenatico is culture, entertainment, events, initiatives with a rich program for all tastes, 365 days a year.
