

WELCOME TO SLOVENIA

In Slovenia you can live in the same day an incredible contrast: The morning swim in the Adriatic Sea, two hours later skiing under the peaks of the Alps, to live an adventurous discovery of underground karst phenomena and a revitalizing bath in a hot spring. Because of its geographical position with more than 240 sunny days a year and with several sports centers,

Ponterose with its surroundings is the location for the various sports preparations.

Popular tourist destination with a rich tradition in spa tourism, also famous for its excellent selection of housing options.
